the Fives

Room filling sound, compact, and incredibly versatile, The Fives powered speakers provide simplicity and quality to your listening experience. Whether you connect a turntable, smart phone, computer or television, you can enjoy superior stereo audio, beautifully crafted from luxury materials, without hassle.

Featuring 1" titanium tweeters on tracrix® horns, and a 4.5" woofer, The Fives demonstrate stunning, precise, clear and highly efficient sound whenever you need them.
